Other Victims Are Sought In Millbrae Area

Woodside Child Placed In Doctor's Care After Attack

A four-year-old Woodside boy was under a doctor's care today as rabies flared anew in San Mateo County.

An Italian pointer dog which bit the lad and a stray mongrel found in a Millbrae office building both were diagnosed Monday by the state laboratory at Berkeley as rabid.

According to Health Director Charles C. Gans, the boy, Edwin Reynolds, was bitten through the upper lip and nose Friday by the hunting dog. The owner of the dog, John B. Shiffman, who lives at the same address on Miramontes Ave., shot the animal immediately.

Health authorities insisted over Shiffman's objections, according to Veterinarian W. C. McLean, that the dog be disinterred. Shiffman said that the dog had not been out of the yard since August. A kennelmate, another Italian pointer, will be destroyed, Dr. McLean stated.

Dr. McLean was checking the Millbrae business district this afternoon to determine whether or not the little black and tan mongrel found there had bitten anyone.

The dog, apparently sick, attracted the attention of a Millbrae doctor who telephoned the county health office Friday afternoon. The animal died shortly after it reached the Redwood City pound.

Americans spent $647,821,000 on postage in 1938.

FHA Office Tells Increase

Home construction activity appears likely again to lead the business recovery movement in San Mateo County during the coming months, D. C. McGinness, director, Northern California district office of the Federal Housing Administration, said Wednesday in announcing an 80 per cent increase in the number of small home mortgages accepted for appraisal in this county during February of this year compared to the same month a year ago.

There were 94 applications accepted for appraisal in San Mateo County this February compared to 52 in February a year ago. Number and value of new small home mortgages accepted for appraisal by the FHA in each city in this county are shown in the following table:

	1939		1938

In addition to new home mortgages, the FHA accepted for appraisal mortgages on 47 existing homes in San Mateo County in the value of $233,300 during February of this year.

Considering the event too dangerous, Maine high schools have dropped the hammer throw from track and field competition.

DAV To Meet In Sacramento

O. K. Whittenburg of Redwood City, state commander of the Disabled American Veterans of the World War, announced here that the 1939 convention had been awarded to Sacramento. Pomona, which had been given the convention at last year's meeting in San Jose, withdrew, explaining that it was unable to muster civic support for the parley.

The 1939 session will be held June 25-28, inclusive, said Whittenburg. With State Adj. Irwin J. Landis of Los Angeles, whom with Mrs. Landis spent the weekend in Redwood City with Mr. and Mrs. Whittenburg, the DAV commander went to Sacramento this week to make plans for the session, over which he will preside.

Selection of Sacramento was made by a mail vote of the DAV executive committee, the capital city securing 35 votes to 24 for Long Beach, which had also entered a bid.

Convention chairman will be Darrold D. DeCoe, Sacramento attorney and past national commander of the Veterans of Foreign Wars.

Whittenburg left last night for Los Angeles on other DAV business.

Reports Given At Gathering

What was billed as a monthly meeting was turned into a "Victory Dinner" for the Young Men's Christian Association Committee of Management when it met Monday night at Millbrae, Secty. Thomas W. Badley reported today.

When Finance Chairman Cuthbert B. Currie of Redwood City called for closing reports from all districts, Burlingame, Redwood City and South San Francisco reported that they were "over the top." Millbrae, Belmont and San Carlos reports were not quite complete, but assurance was given that with the remainder still to come in from communities just finishing their drives, the year's goal would be reached.

Secretary Badley reported that the work of the "Y" was at its peak for the year, with activities of a wide variety being conducted in all parts of the county. Badley praised volunteer leaders who are working each week.

FORTY ATTEND

Forty men attended the dinner, at which Fred O. Glover, Burlingame Advance editor, talked briefly on the European situation. Floyd Huff acted as toastmaster.

Following dinner, the group held its business session. The Millbrae Pioneer Club, under Leader R. Cannon, inducted the men in the YMCA ceremony, following which Chairman Wilbur H. Doxsee of the county committee took charge.

After a report was given by Merle Scott of Burlingame on the "Y" Triennial conference, in Toronto, Can., May 29-June 4, where YMCA secretaries from the United States and Canada will determine the organization's policy for the next three years, the group voted to delegate Badley to attend as representative of the San Francisco district. He had been selected previously by the San Francisco organization.

3000 DUE AT FAIR

In his report, Andrew Spinas, chairman of the program committee, said that 3000 "Y" boys from Northern California are expected to attend "Y Day" at the World's Fair Apr. 22. Arrangements are being made to take 500 boys from San Mateo County.

Ramon Dimick of Redwood City reported that the Sequoia district's recreation program had brought more than 75 boys each Saturday for the past six weeks to the Sequoia High School Gymnasium to participate in basketball, archery, tumbling and wrestling, conducted under "Y" leadership.

F. M. Hunter of South San Francisco reported on the basketball playoff, which will be brought to a climax Mar. 25 with a contest to select a team to go to Stockton Apr. 8 to represent the Northern California "Y" tournament.

Mrs. Inez Ray Smith, resident of Hillsborough for 32 years prior to her death Sept. 3, 1937, left an estate valued at $90,323, according to an inventory filed in superior court Monday by James A. Lee, inheritance tax appraiser. Bulk of the estate is real estate in Burlingame and Hillsborough valued at $82,500.

Mrs. Smith died intestate. Executor of the estate is her husband, James B. Smith, San Francisco business executive. She left four brothers and three sisters.

Mrs. Smith was noted as an expert on flowers, and her gardens were considered among the most beautiful on the Peninsula.

Howell, member of the Menlo Park District Board of Fire Commissioners for nine years, having announced that he will not be a candidate for re-election Apr. 3, it is expected that the office will be sought by Edward H. McNear, member of a pioneer Menlo Park family and a resident of the Peninsula since his sixth year.

Also seeking the non-salaried post will be J. H. White, Menlo Park contractor, who announced several weeks ago that he will run for the commissionership. The other two members of the board are H. A. Jepson and Charles H. Merrill.

Peninsula Bands Given 'Clearance' For Fair Festival

Bringing to a close a dispute between the San Francisco Musicians' Union and San Mateo County schools, W. Elmer Vincent of Burlingame, official of the union, has annocnued that county school bands had been "cleared" by the union for participation in Treasure Island music festivals in April and May.

Vincent announced that the union had acted "in a spirit of co-operation with the World Fair."

Adolph Otterstein of San Jose State College, music festival director, informed of the clearance, said he hoped that the entire festival organization would receive similar union indorsement.

UP TO SEPARATE UNIONS

It was pointed out, however, by Vincent, that such general indorsement could only come from the various district unions affected.

Contra Costa and Sonoma County school bands are also under union ban, and until the unions in those counties take action on the festival, the festival will not be definitely clear of union troubles that have developed to date.

Otterstein announced early in the dispute that any single ban on schools planning to participate in the Apr. 27, 28 and 29 California School Band, Orchestra and Choral Association festival, or in the May 11 and 12 California-Nevada-Arizona school music festival, would result in removal of the events from Treasure Island.

AFFECTS SEQUOIA, OTHERS

County school bands which the union clearance affected were Burlingame and San Mateo high schools, San Mateo Junior College, Sequoia High School at Redwood City, and South San Francisco.

The union's earlier stand had been that it would not approve county school bands' participating in the festival unless school authorities promised union bands would be used at major school dances.

Meanwhile union protests yesterday led to the dance orchestra of the Oakdale High School, Stanislaus County, being refused the privilege of playing on Treasure Island.

SAN BRUNO MERCHANT DIES

SAN BRUNO, Mar. 20 — Harry Rubin, 56, proprietor of a dry goods store at San Bruno, who died Saturday, was to be buried at Home of Peace Cemetery late today following services at the Silvio Nieri Mortuary under direction of the Rev. H. D. Harkins.

MENLO PARK NEWS NOTES

CELEBRATION NEAR END

MENLO PARK, Mar. 24.—Founders' week celebration will end in a blaze of glory Saturday evening with a dance and fireworks. In the afternoon there will be a big parade, in which will appear rigs of days gone by. A carriage used by one of the trustees in coming to meetings in 1874 will have a prominent place in the parade. Novelties will be introduced that are certain to attract attention. "Sheriff" Morey and "Judge" Hornbuckle are handling the vast crowds with skill and judgment.

The banquet on Monday evening for the pioneers was a splendid affair. The oldest citizen present was Lucas Greer of Palo Alto. Though coming up to the 90 mark, he is still vigorous and interested in current events. The celebration was a success and much credit is due the committee having the affair in charge.

Chief of Police Foster Andrews and his charming wife have arrived from Southern California to be present for the celebration. Mr. Andrews' leave of absence will expire next month when he will resume his duties.

A mission for Italian Catholics will take place in the Church of the Nativity beginning next week. A priest from Santa Clara College will conduct the services. Owing to the large Italian population here, the mission, no doubt, will be a complete success.

An election for a member of the Menlo Park Fire Department Board will take place on April 1. Mr. White, a local business man, and Mr. McNear are candidates for the position. It's said a dark horse will be in the field.

Daniel Keel, who was a flagman at the Oak Grove railroad crossing until his illness some months ago, passed away at his home here on Monday at the age of 59. The deceased was a genial gentleman, well-liked and popular with all who knew him. Keel was a college man and before the depression was a wealthy farmer at Stockton. He leaves a wife and one daughter, Mrs. J. O'Gara, a relative of the O'Gara family of attorneys in San Francisco.

The four-year term of Postmaster Morey will expire this year. Thus far there appears to be no opposition to the popular postmaster for re-appointment. In Redwood City there is a contest between Robert O'Connell, incumbent, and A. V. Swift. Senator Downey will make the appointments. Congressman Anderson, being a Republican, will not be consulted. His time will come when there will be a Republican president in 1941.

Citations and medals donated by the various posts of the 26th district, San Mateo County, of the American Legion were given Friday night to the veteran athletes who won first and second place in sports events in 1938. Shields for the awards were presented by Post 472 of Belle Haven City and the 40 and 8 Society of San Mateo County.

T. Louis Chess, past state commander of the DAV, was the principal speaker. Dr. Chester L. Carlisle, clinical director, was present to voice the pleasure and appreciation of the winning contestants and the staff of the facility to the 26th district.

Arrangements for the presentation of the awards and citations were made by C. E. Stocker, chairman of the Americanism program of the 26th district and athletic aide of the Veterans' Facility, and all athletic events of the past year were sponsored and staged by him. Awards were given for baseball, bowling, horseshoe pitching, checker playing, tennis, swimming, pool, and best drilled ward.

During the course of the eveninig Isabelle Weeden Lindquist staged a St. Patrick's Day program, consisting of a puppet show, an Irish monologist and an exceptionally fine male quartet.

Thursday night Menlo Park American Legion Post 443 will have their initiation which they put on annually. Members of various Peninsula posts will be initiated at this time by the Ritualistic team of the 40 and 8 Society of San Mateo County. Judge Mauwell McNutt will be the speaker of the evening and a short program has been prepared.

Experts Slated To Make Probe

Dr. Francis A. Carmelia, supervisor in charge of the 11 western states for the United States Public Health Service, said Wednesday that the survey of the San Mateo County Public Health Department would start Apr. 1 and would be completed in three or four weeks.

While the original order from the surgeon general at Washington directed that the survey be made by Dr. Fred T. Foard, USPHS consultant who lives in Burlingame, this order has been changed, Dr. Carmelia explained, and Dr. Carmelia has been placed in charge of the survey.

The actual work will be done by three specialists who are being sent from Washington, according to Dr. Carmelia. Each will do the investigation in his own particular field under the supervision of Dr. Carmelia.

"We expect to write the report pretty much as we go along," Dr. Carmelia said. "It will take a little while after the work is completed to polish up the report. We will send it to Washington, and it will probably be released through the state health director to the board of supervisors."

Sequoians at J. C. Join Honor Society

The Eta Chapter of the Alpha Gamma Sigma Honorary Society has just announced that several from the Sequoia High School District are among the 95 San Mateo Junior College students who have been placed on its roll for grades received last semester. A "B plus" average is necessary for eligibility.

On the honor roll from Redwood City are Dorothy Gile, Dorothy Machell, Richard Muchmore, Dorothy Riegelhuth and Harry Schmidt.

Kazuo Kariya and Anna Scott of Belmont placed on the roll, as did LeRoy Walton of San Carlos; Patricia Bentley, Rae Fose and Jean Shepherd of Menlo Park; Ambrosine Currier, Frances Dekker and Freda Nuding of Palo Alto.

San Francisco Junior College is sponsoring an annual statewide convention at California Hall on Treasure Island Saturday, April 1, and San Mateo's chapter has been invited.

ORPHANS ASK NEW TRIAL

Attorneys for the Boellaard orphans&—Olga and Leanna — have filed notice in superior court of motion for a new trial of their $105,000 damage action against the Southern Pacific Co. The case, which grew out of a grade crossing accident in Redwood City in 1936 in which both parents of the girls were killed, was thrown out of court by Judge A. R. Cotton Mar. 2.

New Trees Along Highways Stolen

Mrs. H. S. Dana of San Mateo, chairman of the county relief administration, appeared before the board of supervisors Tuesday to protest that newly planted trees and shrubs along county highways were being stolen. She asked co-operation of the board and county officials to enforce the law making it a misdemeanor to take flowers or shrubs from public property, or from private property without permission.

"I have received many complaints from individuals and garden clubs," Mrs. Dana said. "The hills near South San Francisco are being stripped of their beautiful iris."

The board promised its co-operation, calling attention of Sheriff James J. McGrath to Mrs. Dana's complaint.

Accompanying Mrs. Dana was Mrs. Genevieve Crocker Henderson of Hillsborough.

Twenty-three new aerodromes will be needed in Britain for the extension of the voluntary air reserve.

Hospital, Stanford Lose Damage Action

PALO ALTO, Mar. 22—For burns suffered from a hot water bottle while he was under an anesthetic for an appendectomy, Richard Connell, 17, of Santa Barbara, today held a $500 judgment against Palo Alto Hospital and Stanford University, as a result of a verdict returned by a jury in Santa Clara County Superior Court yesterday.

Connell's mother, Mrs. Dorothy Ogilvy, was awarded an additional $250 for extra doctor and hospital bills.

The jury found in favor of Dr. H. L. Niebel of Palo Alto, who testified that he had not ordered the hot water bottle placed in Connell's bed. It burned his back, hampering his convalescence and leaving permanent scars.

Local Pupils To See S. C. 'Passion Play'

Among those attending the opening Friday afternoon of Santa Clara University's Passion Play will be pupils in Mt. Carmel Parochial School from the fourth grade up, who are being taken to Santa Clara for the occasion.

Two special evenings at the university will feature performances of the religious play over the weekend. Saturday evening marks the formal opening of the production, when prominent university alumni and friends from throughout the bay area will attend.

The Mission City itself will be honored Monday night when city officials, officers and members of civic and fraternal organizations, and citizens of Santa Clara plan to attend.

The 1939 showing, seventh production since 1901, will be given in 10 performances from Mar. 24 to Apr. 2 at the university theater, with reserved seats for all performances.

Two Jailbreakers Captured in L. A.

If two of the three "human flies" who escaped from the Oakland jail last week actually were on the San Mateo County Coastside Friday night, as a Rockaway Beach merchant believes they were, they evaded the officers who watched for them and made their way to Los Angeles. They were captured in the Southern California city Monday after they fled under gunfire. Those caught were Alfred Vierra, 24, and Charles Jinkens, 25. Glen Belfield, 34, is still at large.

The production of sea island cotton, a super-staple, increased 150 per cent in Georgia during 1938.

Chinese Herbs

FOR BLEEDING BOWELS

Tacoma, Wash. June 2, 1936.

Yee & Ko Herb Co.

Dear Sirs: I am writing this letter to tell you how much your herbs have helped me.

I have been suffering from Bleeding Bowels and was continuously passing blood for quite a while. I have tried many other medicines, which did not help me.

Finally I took my neighbor's advice to come to you. After taking the first two doses of your herbs I noticed that my passing blood gradually reduced, and after I had finished my week's treatment, I was completely recovered from my ailment.

I am writing this to testify the benefit which I received from your medicine, and now I gladly recommend Yee & Ko herbs to anyone who suffers.

Yours truly, CHARLES WUERCH, 2517 South 15th Street, Tacoma, Wash.

Swallows Fail To Revisit Home Of Man Now Dead

SAN MATEO, Mar. 20—Harbinger of Spring here for many years has been the annual return of a flight of swallows to the James Mulryan home.

Several months ago, Mr. Mulryan, pioneer resident of Beresford, died.

The swallows have not returned this year.

March 19 passed yesterday without them although the famed San Juan Capistrano swallows returned to their nesting places on schedule, just as they have done for 161 years. Today has come and still there is no sign of the Mulryan birds.

As in previous years, a group of six arrived early—last Thursday—to look around for locations. They started to build nests, but with dawn Sunday they had disappeared as mysteriously as they had come.

New residents of the Mulryan home, the Paul Cleversys, noted the advance guard, watched them building their homes, but today could find no trace of them.

Gym To Honor Mother Foley

MENLO PARK, Mar. 21—The $8000 gymnasium for which funds are being sought by the Men's Club of St. Joseph's School will be named the "Mother Foley Gymnasium," as a tribute to Mother Foley, principal of the parochial school, according to Edward J. Derry, club president.

The club hopes to see construction begun by Apr. 15.

Three hundred letters have been mailed out to Palo Alto, Atherton and Menlo Park residents, telling them of the proposed project.

Response to appeal has approached $2000, Derry reports, leaving $6000 to be raised within the next 30 days. The site of the new building is adjacent to the school grounds on Emilia Ave. a half block northwest of Valparaiso Ave. It is in the Atherton township, and the Menlo Park parish.

The purpose of the proposed building is to provide the pupils with a recreation center and place where they are able to play and exercise during the Winter months. The entrance to the gymnasium would be linked to the main body of the school by a short passageway.

Started in 1906 as the result of a gift by Mrs. Emilie Donohoe, the school has functioned since this time as a parochial institution available to children of all creeds. No tuition is charged; it is supported by an annual church collection and other donations. At present, 160 pupils are registered, and more than 500 have been graduated from there.

One hundred fifty men affiliated with the Men's Club of St. Joseph's School are working in the financial campaign for the gymnasium. Aiding Derry are Lalor Crimmins, Atherton; George E. Murphy, Palo Alto; and L. L. Johnston of Menlo Park, treasurer, to whom contributions may be mailed.

Car Fire Put Out, False Call Answered

Firemen extinguished a small fire in the rear seat of an automobile parked near the Southern Pacific Depot at 3:36 p.m. Saturday, the department reported. Damage to the upholstery was nominal. Ownership of the car was not established.

A false alarm at 11:35 o'clock last night sent the department to Myrtle St. and Hopkins Ave.

Recreation Program Set for Burlingame

BURLINGAME, Mar. 21—The council last night made its first definite move toward establishing a recreation program here when it named a committee composed of Councilmen E. R. McDonald, W. W. Hives and C. A. Buck to meet with representatives of interested groups to determine what course of action should be decided on. The move came after the council had first proposed accepting a WPA-sponsored program. This was vociferously opposed, however, by the citizens' recreation committee.

Two More Vessels Leave Lumber Here

Port Redwood City handled two cargoes of lumber amounting to 800,000 board feet total last week, Port Manager Walter F. Murphy said today, but no new shipments are expected to arrive until late this week or early next.

The Bandon and Willapa discharged cargoes of about 400,000 feet each last week, and the Bandon is expected to return Saturday. The George Olson, another frequent visitor, may dock late this week or sometime Monday or Tuesday, Murphy said.

In addition to the shipping activity, construction on the new warehouse continues. Paving of the inside floor area should be completed within a week, Murphy said, and he expects the entire structure to be ready for use by Apr. 20.

Lumber now piled along Broadway extension will be moved within two weeks, according to the port manager. Much of the area at the port that has been rendered useless by the rains has dried off sufficiently to allow trucks to operate there.

City Manager Charles L. Dimmitt said today that dredging of the city's yacht harbor and deep water port would be started by Apr. 1 at the latest. The harbor and ship turning basin fill up periodically. The city manager said that he will contact federal officials immediately to arrange for the dredging of the port, since the government contracts to keep clear all deep water harbors. The city will bear the expense of dredging the yacht harbor, reserved for pleasure craft.

Stamp News

ONE of the most beautiful sets of stamps in the current deluge of foreign issues is the Danzig semi-postal with a nautical theme. There are five values and each pictures an important ship in the Free City from a racing yacht to the largest ocean liner.

The lowest value, showing the racing yacht Peter Von Danzig, dark blue green, is shown above.

* * *

Interesting values from the Vatican are the overprints used during the interval between the death of Pius XI and the selection of Pius XII. These are the first seven of the original Vatican set and carry the overprint "Sede Vacante," or "empty throne." Stamps to commemorate the elevation of the new pontiff are expected shortly.

* * *

Heeding the complaints of philatelists over the country that careless cancellation ruins a great many stamps suitable for collections, Ramsey S. Black, third assistant postmaster general, has issued an order directing postal employes henceforth to use special care in canceling. He warns employes to be specially "on the alert for letters and parcels bearing commemorative and other stamps of obvious philatelic value."

* * *

The Post Office Department expects that regular trans-Atlantic mail service will be launched in May. The postage rate will likely be 25 cents per half ounce, although this has not been determined.

* * *

Denmark has issued a single poster stamp to honor the New York World's Fair. It bears striking resemblance to the forthcoming U. S. fair commemorative, except that it depicts a Viking warrior ship along with the fair's modernistic globe and cone.

FINISHING TOUCHES PUT ON FRIDAY NIGHT CONCERT

Sequoia musicians, under the direction of Max L. Gelber, are putting the final touches on band and orchestra numbers this week in preparation for the Twelfth Annual Spring Concert, which will be presented to the community Friday evening at 8 o'clock in the school auditorium.

Assisting the band and orchestra this year will be the Redwood City Bel Canto Chorus, directed by Eugene Fulton.

First on the program will be four selections by the orchestra: "La Dame Blanche," overture, by Boildieu; "La Golondrina," Mexican folk song, arrangement by Lake; "Alt Wien," by Godowsky, and intermezzo from "Nalla," by Delibes.

Bel Canto Chorus then will sing "The Ships of Arcady," an arson; "The Green Cathedral," by Hahn.

Selections by the band, which are being chosen by members themselves, will include "The Pilgrim," grand march, by Lake; "A Japanese Carnival," by DeBasque; "Gate City," by Welden; "Arabian Nights," descriptive number, by Yoder; "Cabins," and American rhapsody, by Gillette; "Old Comrades," march, by Teike.

During the band intermission, Red Fisher and Roy Coombes, members of the band, will play a cornet duet, "The Pals."

Over 100 students and 60 adult members of the chorus will take part, Gelber said.

The feed value of an acre of average Louisiana pasture is equa. to 14.5 tons of corn and soybean ensilage.

J. E. Morrish's Father Buried

Services were held in Berkeley Monday for William B. Morrish, 79, father of J. Elmer Morrish, Redwood City banker and civic leader. The elder Morrish died Saturday after a short illness. Interment was in Sunset Mausoleum.

William B. Morrish was survived by another son, William F. Morrish of Berkeley, banker and president of the American Toll Bridge Co. He is also survived by three daughters, Mrs. W. F. Barnum of Santa Monica, Mrs. H. C. Bryant of Grand Canyon, Ariz., and Mrs. W. H. Whitcomb of Berkeley. A brother, Samuel Morrish, also lives in Berkeley.

Suit Claims Will Forgery

The estate of Mrs. Harriet B. McDonald of San Francisco, who died Jan. 20, leaving her estate to her sisters and nieces, Peninsulans, is being contested in San Francisco Superior Court by two brothers, both San Mateo County residents, court records showed today.

Heirs named in Mrs. McDonald's will were her sisters, Mrs. Marie B. O'Connor and Mrs. Angela Hargreaves, both of Burlingame, and Betty Angela Bentley and Mrs. Robert J. Bentley, both nieces and San Mateo residents.

The brothers, William Thomas Barr of San Mateo and Jennings D. Barr, Burlingame, claim that Mrs. McDonald never wrote the will in question, although the listed heirs plan to present testimony of handwriting experts that the handwriting in the will is Mrs. McDonald's.
